South Carolina Athletic Trainers' Association (SCATA)

BACKGROUND:

The South Carolina Athletic Trainers' Association (SCATA) was founded in 1984 as an organization committed to the education of its members and the enhancement of the profession of athletic training to create better health care for the populations we serve. We are composed of over 1050 athletic trainers from professional, collegiate, and high school teams, industries, physician offices, rehabilitation clinics, and every branch of the United States military. Athletic trainers are highly skilled health care professionals who specialize in immediate, acute and emergency care, examination, assessment and diagnosis, injury prevention, risk management, therapeutic intervention, and rehabilitation of injury and illness. We are associated with the National Athletic Trainers' Association which represents and supports more than

Background

The Bylaws were changed and voted on at the 2021 Business Meeting. Similar changes have been proposed as updates to the Constitution. The vote on the changes was tabled at the 2022 Business Meeting as an consensus on voting could not be obtained. The changes are now up for a vote again at the 2023 Business Meeting.

The NATA State Association Advisory Committee produced a Best Practices document for State Associations in 2023. Other proposed updates reflect recommendations from this document (i.e. procedures following dissolution of the organization).

Constitution

Grouped by similar proposed changes

Change #1: Addition of Diversity, Equity and Inclusion Statement

Background: The DEI statement was added to both the Bylaws and Constitution as a consensus from lawyers could not be obtained on which document it ultimately should be in. The Executive Council and Task Force concluded that adding it to both would be best solution.

The DEI statement can be read in Article III of the Bylaws and Constitution.

Adding this statement echos the NATA's commitment and response to DEI.

Motion to Move

- 1st Motion - Bill Warren
- 2nd Motion - Barry Atkinson
- Vote all in favor - unanimous
- Vote opposed - none
- Approved

Change #2: More Detailed Descriptions for Executive Council Responsibilities

Background: Minor language changes were needed to align items to the Bylaws. The treasurer role needed updating to reflect the election process and all roles and responsibilities. In line with the DEI statement, gender-neutral language was used where needed.

Changes:

- Gender-neutral language
- Items explained further in the bylaws
- Treasurer: election process, voting member, financial reports, and responsibilities

Motion to make grammatical changes

- 1st Motion - Gary Nelson
- 2nd Motion - Raz Razayeski
- Vote all in favor - unanimous
- Vote opposed - none

Change #3: Advisory Council Roles

Background: A non-voting Advisory Council was added to advise the Executive Council on matters pertaining to different areas of the position, either in setting or professional area. They will oversee committees based on the SCATA organizational chart (next slide) and be a liaison to the Executive Council for those committees. These representatives are nominated by the committees they represent. Advisory Council terms are limited to 2 years, and they may serve 3 consecutive terms
